Chris

Here is the email I received from the water folks in WV. It appears a lot of folks would be interesting in connecting with appropriate EPA experts. Hopefully Jeff can coordinate the call. Drs. Tierney and Col. Grant are included below as well.

Dr. Vikas:

I appreciate you reaching out to me and offering assistance on our efforts regarding PPH analysis. We have a large group that have been involved in ongoing discussions. I have indicated the lead contact, from my

perspective, for each group below. If they see it differently, I would ask they reply to all. At this time it would also be appreciated if the group can share full contact details by email. To be fair to all, I do not have all the professional designations for everyone, so I have left them off the list below.

American Water -- Ex. 6 - Personal Privacy
West Virginia American Water -- Ex. 6 - Personal Privacy
MATRIC -- Ex. 6 - Personal Privacy
National Guard -- Greg Grant
DuPont -- Ex. 6 - Personal Privacy
REIC Labs -- Ex. 6 - Personal Privacy
WV Department of Health & Human Resources -- Letitia Tierney
WV Bureau for Public Health -- Walter Ivey
WV Public Health Lab -- Martha McElfresh

I can set up a conference call if you feel it the easiest way to connect quickly. All I would need is who else you would like to invite.

Regards,

Dear Mr. Ex. 6 - Personal Privacy

It was a pleasure speaking to you this afternoon. As we discussed, even though we do not do water analysis here at CDC/ATSDR, I would be happy to try to connect your lab folks to the appropriate people at EPA. If you would send me the name (or names) of the best contacts and their contact information, we will share that information with EPA.

Thanks,

Vik
